AT AMWC 2026, ON MARCH 26-28, IN MONTE-CARLO, MONACO

Dr. Thierry BESINS
Plastic & Reconstructive Surgeon
AMWC Scientific Director

The **AMWC 2026 - Aesthetic & Anti-Aging Medicine World Congress, Monte Carlo, Monaco, 26/03/2026 - 28/03/2026** organized by AMS (Aesthetic Multispecialty Society) has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) for a maximum of **18 European CME credits (ECMEC®s).** Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities. Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
